Dear Aubyn

Now that Phase I of our project is complete, I wanted to write a short note to thank you and Sally Rustom for the excellent work you have undertaken to date on our behalf on the Migration Strategy.

The nature of the work undertaken was sensitive and expected to cover a wide range of opinion and positioning. Your objective, impartial approach was very appropriate, and the resulting report has provided me and the NLG Leadership Team with a robust and comprehensive document that we can now use to inform our wider group. It will also form the basis of our ongoing planning.

Thank you for your time, energy and commitment. I look forward to working with you and Sally again in the future.

Yours sincerely

A handwritten signature in blue ink that reads 'David'.

David Jackson
Director
Networked Learning.
